## **New Website**

2009-03-30 - Christopher Nadeau -  $\underline{\text{Commentaire (1)}}$  -  $\underline{\text{Deskpro Releases}}$ 

We are pleased to show off our brand new website at <a href="http://www.deskpro.com/">http://www.deskpro.com/</a>

We've got a new logo and we've completely rewritten almost every piece of content. The new website is more concise and easier to navigate, allowing you to find information easier than before.
