WHMCS integration Finished

- Huiren
- **Forum name:** #Feature Request

Hello,

 Please integrate DeskPro into WHMCS.

 Thanks!

Please make a plugin for the WHMCS.

Rudy

10 years ago

This would be a great asset to the DeskPro Product. With WHMCS Integration billing and domain management companies would have true flexibility and a tight integration for support and managing customers.

Shaun Fisher

Definitely agree. This is the one hurdle stopping us from making the switch to DeskPro.

HEAP Software
