If you want to update the Logo that's visible on the login screen for your Agents in **Admin > Configuration > Branding**. In the section Agent Branding, you can update the Logo that appears on the login screen under the option **Logo**.

The screenshot shows the Deskpro Admin interface. On the left is a sidebar with a navigation menu. The main content area is titled 'Branding' and contains a sub-section 'Agent Branding'. Within 'Agent Branding', there are several configuration fields: 'Helpdesk name' (text input), 'Favicon' (file upload), 'Logo' (file upload, highlighted with a red box), 'Avatar' (file upload), and 'Helpdesk URL' (text input). The 'Logo' field has a red box around it, indicating it is the focus of the tutorial. The 'Helpdesk name' field contains '221 B Helpdesk'. The 'Favicon' field has a 'Change file' button. The 'Avatar' field has a 'Change file' button. The 'Helpdesk URL' field contains 'https://221benenergy.deskpro.com/'.
