

How do I install the chat widget in Drupal?

Lauren Cumming - 2023-08-16 - Comments (0) - Using Deskpro

1. Login into your Drupal account as an administrator.
2. Open the '**Manage**' menu.

3. Then click on the '**Structure**' section.

4. Now you need to create a custom block with the widget code. Select '**Block Layout**' from the menu.

[Back to site](#) [Manage](#) [Shortcuts](#) [admin](#)

[Content](#) [Structure](#) [Appearance](#) [Extend](#) [Configure](#)

Structure

[Home](#) » [Administration](#)

- **Block layout**
Configure what block content appears in your site's sidebars and other regions
- **Comment types**
Manage form and displays settings of comments.
- **Contact forms**
Create and manage contact forms.
- **Content types**
Create and manage fields, forms, and display settings for your content

5. Now click on the 'Custom block library' tab and hit "Add custom block".

The screenshot shows the 'Custom block library' page in a web application. At the top is a navigation bar with 'Back to site', 'Manage', 'Shortcuts', and a user profile 'admin'. Below this is a secondary navigation bar with 'Content', 'Structure', 'Appearance', 'Extend', and 'Config'. The main heading is 'Custom block library' with a star icon. There are two tabs: 'Block layout' and 'Custom block library', with the latter being active. Below the tabs are two sub-tabs: 'Blocks' and 'Block types', with 'Block types' being active. A breadcrumb trail reads 'Home » Administration » Structure » Block layout'. Below the breadcrumb, a text line says 'Blocks in the block library belong to Custom block types, each with its own f'. A blue arrow points from this text to the 'Custom block library' tab. Another blue arrow points from the text to a blue button labeled '+ Add custom block'. Below the button are two input fields: 'Block description' (a text box) and 'Block type' (a dropdown menu showing '- Any -'). An 'Apply' button is below these fields. At the bottom, a section titled 'BLOCK DESCRIPTION' is visible.
