Custom fields for Guides Collecting Feedback

- TH Theresa Harbor
- **Fórum neve:** #Feature Request

With Knowledgebase articles, you can add fields to display extra information, eg:

The screenshot shows a Knowledgebase article page with the following elements:

- Breadcrumb: [Help Center](#) > [Knowledgebase](#) > [General](#) > [Eos voluptas rerum ut consequuntur](#)
- Article Title: [Eos voluptas rerum ut consequuntur](#)
- Author: LL
- Last updated: Dec 1, 2020 by Louvenia Littel
- Actions: Print, Download, and a Subscribe button.
- Article Content: "At last the Caterpillar took the hookah out of the cupboards as she remembered the number of changes she had hurt the poor little thing grunted in reply (it had left off quarrelling with the clock. For instance, suppose it were white, but there were three little sisters; the Dormouse go on till."
- Feedback: Helpful (green checkmark) and Unhelpful (red X) buttons.
- Comments: "Add a comment" button.
- Custom Information Field: A box titled "Custom information" with the text "You can add extra information here".

We would also like the ability to add fields to guides as well
