display news in signature Finished

- Nicholas Carlton
- **Fórum neve:** #Feature Request

Hi, Like to suggest that we can display a list of our latest news in the signature.

Hi Nicholas, Thank you for your submission. We have created a News section in the portal. This section is there for any and all of your company's news, new product releases, fixes. A good idea could be to refer to the news section in your "signature" to let your users know that they should be checking your news section regularly. Please contact our Support Team if you have any further queries
