Enable Keyboard Shortcuts for individual agents Finished

- Douglas Martin
- **Fórum neve:** #Feature Request

Shortcut Keys have been problematic for many agents so I turned them off ... however some other agents are upset that they are not on. Can it be made so we can Enable/Disable the Keyboard shortcuts per agent?

Shortcut Keys ON/OFF would be more beneficial at the Agent-level (not at org-level). Half our team wants Shortcut Keys shut OFF. Other half wants them ON. Please consider making Shortcut Keys ON/OFF decision connected to Agent-level. Thanks!

This is very important for our organisation as well. Please enable PER agent.

Agents have the ability to enable or disable Keyboard Shortcuts from their Agent Settings, please see our Agent Guide:
