Open in a new tab checkbox for Guides Under Review

When adding a link in the Text Editor in Guides, there doesn't seem to be an option to be able to open the link in a new tab (just the same as the option given in the Knowledgebase).

A screenshot of a web interface's text editor. At the top, there is a search bar with a magnifying glass icon and a dropdown arrow. Below it is a "URL" field with a blue underline and a grey placeholder. Underneath is a "Text" field containing the text "Formpipe Support". At the bottom of the form, there is a checkbox labeled "Open in new tab" which is checked, and a blue "Update" button to its right. A red rectangular box highlights the "Open in new tab" checkbox.
