Ability to Edit Follow up Collecting Feedback

- Earene Lee
- **Forum name:** #Feature Request

Once a follow up has been created, you cannot 'edit' it. You have to delete and then re-create. Edit feature would be nice to have for this.

When I have set up a follow up, I am not able to edit this in any way. The only option is to remove it using the x-button. It would be nice if I am allowed to edit existing follow ups.
