Clicking on "Add or Remove agents from your plan" takes me to bad page Finished

- Dawn Messerly
- **Forum name:** #Bug Report

I just setup a demo of v4. I was brought to a screen where I had a link to "Add or Remove agents from your plan" and one to "click here to add a new agent".
Clicking on the latter allows me to add a new agent.
Clicking on the former takes me to a bad page. I've included screen shots of the link I clicked and the resulting web page.

Thanks Dawn, this should be fixed.
