Open in a new tab checkbox for Guides Under Review

When adding a link in the Text Editor in Guides, there doesn't seem to be an option to be able to open the link in a new tab (just the same as the option given in the Knowledgebase).

The screenshot shows a mobile interface for adding a link. At the top, there is a search bar with a magnifying glass icon and a back arrow. Below it is a section labeled 'URL' with a grey input field. Underneath the input field is a 'Text' field containing the text 'Formpipe Support'. At the bottom left, there is a checkbox labeled 'Open in new tab' which is checked and highlighted with a red rectangular border. At the bottom right, there is a blue 'Update' button.
