We have updated the design for ticket views in the helpdesk

2022-11-01 - Lara Proud - [Commenti \(0\)](#) - [Product \(Agent\)](#)

We have updated the behavior and design of ticket lists in the helpdesk.

In Table View we added the ability to preserve per queue, column width of the table and any fields you have applied. We have also added a gray background behind the ticket list to increase the contrast and enhance ticket visibility.

Additionally, we have added an open ticket state, which is signified by a blue colored ticket, as seen below. This change will apply to both **Table View** and **Card View** by adding a blue indicator to tickets you have open in a tab.

In **Table View**, it will look like this:

ID	Subject	User	Agent	Last Reply
262	Agatha Bardle <agathabardle@example.com>	Agatha Bardle <agathabardle@example.com>	Lara Proud	2 wks
260	Call from +447969236608	+447969236608	Lara Proud	2 wks

149	Password Reset	Hannah Scott <hannah.scott@deskpro.com>	Lara Proud	5 mos

In **Card View**, the indicator state will look like this:

The screenshot displays a helpdesk interface with three main sections:

- Ticket List (Left):** A list of tickets with columns for status, subject, and time. Visible tickets include:
 - Agatha Bardle (agathabardle@example.com) - 2 wks
 - Call from +447969236608 - 2 wks
 - Change payment information (Billing) - 4 wks
 - I'm locked out of my account - 4 wks
 - Boiler problem is back! - 2 mos
 - Need help with reading the meter - 2 mos
 - Agatha Bardle (agathabardle@example.com) - 5 mos
 - Gary Jones (g.jones@example.com) - 5 mos
 - Hannah Scott (hannah.scott@despro.com) - 5 mos
 - Password Reset - 5 mos
- Ticket Detail (Center):** A detailed view of a ticket titled "Change payment information". It shows a conversation history with an agent (Agatha Bardle) and a customer (James Moriarty). The agent's response includes a link to a guide about updating billing information: <https://221benergy.deskpro.com/en-US/guides/setting-up-your-account/add-your-billing-information>. The customer's response expresses gratitude and offers to provide more help if needed.
- Customer Profile (Right):** A profile for Agatha Bardle, a sales lead at Energy.io. It includes contact information (email, phone), organization details (Energy.io), and properties (created date, last updated date, time zone, language, user group).

These updates will make it easier for you to locate the tickets in a list that you already have open when navigating your ticket queues and other lists of tickets across the interface, as well as boosting overall visibility in the helpdesk
