

## How long are outgoing emails retained for in cloud accounts?

Benedict Sycamore - 2022-02-10 - Comments (0) - Using Deskpro

In order to keep Deskpro running smoothly and securely across cloud accounts, we have rules for how long we retain outgoing email logs.

Outgoing email logs can be viewed in **Admin > Channels > Email > Outgoing Log**

The screenshot shows the 'Outgoing Email Logs' page in the Deskpro Admin interface. The table displays a list of outgoing emails with columns for Date Created, Email ID, Status, From, To, Subject, and Ticket. The logs are sorted by Date Created in descending order. The table shows 18 rows of data, with a 'Rows per page' dropdown set to 100. The interface includes a sidebar with navigation options like Overview, Configuration, Channels, and Agents, and a top navigation bar with a 'New' button and a search bar.
