On-Premise

You can generate your own Deskpro On-Premise invoice easily by visiting the [Buy License](#) link on our website. You can select the number of agents you require, your plan, and any professional services and then generate an invoice or quote.

Cloud

Cloud invoices can be raised from the Billing area of your Cloud trial. You can access the Billing area through the \$ icon on the Navigation Bar, indicated below. You can select the number of agents you require, your plan, and any professional services and then generate an invoice or quote.

The screenshot displays the Deskpro Billing interface. On the left is a navigation sidebar with icons for various functions, including a dollar sign icon highlighted with a red box. The main content area is titled 'Buy Deskpro / Create Quote'. It features a notification banner stating 'Billing will be applied on Jun 24, 2022 after your trial ends (in 11 days)'. Below this is a section for 'Agent Seats' with the instruction 'Enter the number of agent seats you wish to purchase now.' A dropdown menu is set to '10', and a slider control is visible with markers at 3, 10, 25, 50, 100, 250, 500, and 1000. An illustration of a team of people is shown below the slider. At the bottom of the main content area is a 'Continue' button.
