When a ticket has a ZIP file attached to it, you can now click on the 'View files' drop down and only download the most relevant files that you need.

The screenshot shows a ticket interface with three tabs: "PAGES", "FULL LOG", and "DATES & TIMES". The main content area displays a ticket from John Doe (#7) with a "Zip file attachments" section. A zip file named "ticket-debug-5328.zip (65.29 KB)" is attached, with a "view files" dropdown menu open. The dropdown menu lists the following files:

- ticket-debug-5328_20170309095607_11YM
- person.json (5.27 KB)
- ticket-layouts.json (11.13 KB)
