## Report row limit Collecting Feedback

- BG Bill Gabay
- 포럼 이름: #Feature Request

Currently when you run a report it's limited to output 2500 rows. It would be helpful if this could be adjusted in certain scenarios.

Please allow the option to request all data.

There should at least be an option to request the additional data for this. Having a hard limit is not ideal. I am fine with the default limit, but let us put something in to get more.
