

## Adding a background image to the user portal

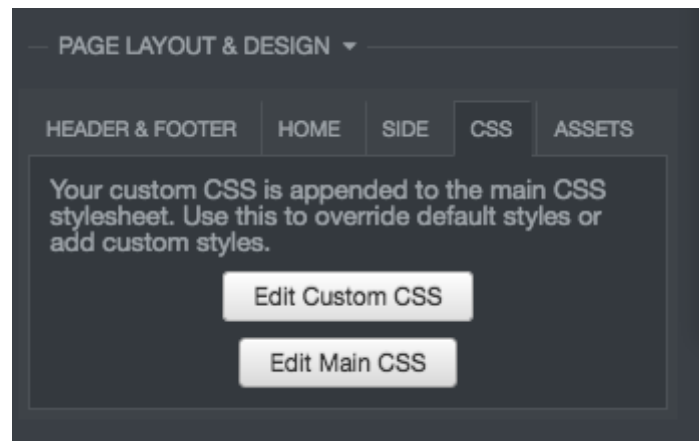

Lauren Cumming - 2023-08-31 - Comments (0) - Deskpro Legacy

### Question:

What is the easiest way to add background image to our support portal?

### Answer:

Go to **Admin > User Interface > Helpcenter > Edit Custom CSS** to change the CSS of the portal.

Add the following to the template:

```
.dp-po .dp-po-main {  
  background-image: url(your_url_here);  
}
```

You can add you can add `background-size: contain;` or `background-size: cover;` to adapt the size as needed

The URL needs to be a publicly accessible image. This will achieve a result like the below:
