Where do I find an installation guide for my platform?

Ben Henley - 2017-11-09 - Comments (0) - Deskpro Legacy

See the Deskpro Sysadmin manual for step-by-step installation guidance for most platforms.

Installing Deskpro on Ubuntu Linux

Installing Deskpro on Red Hat/CentOS Linux

Installing Deskpro on Windows Server 2008/IIS

Installing Deskpro on Windows Server 2012/IIS

Installing Deskpro on Windows/Apache (From Source)
