How do I change the number of news posts shown on the portal home page?

Ben Henley - 2023-08-31 - Comments (0) - Deskpro Legacy

Question:

I want to increase the number of news posts shown on the section of the portal home page highlighted below. How do I show the most recent five articles here?

Help

Answer:

You can do this by editing the portal templates.

1. Go to the portal editor at **Admin > User Interface > Portal**.
2. Click the **Template Editor** section at the lower left.
