Deskpro 2019.1.1 Release

[Deskpro Releases](#) - تعليقات (٠) - Colin Dunn - 2019-01-16

We're delighted to announce the release of Deskpro 2019.1.1. This contains a single hotfix to swiftly address a bug in the previous version. We recommend applying this to your helpdesk as soon as possible.

DP-2938 - A bug causing a redirect loop when browsing the portal in the English UK (en-GB) language is now resolved.
