

<u>Help Center</u> > <u>Community</u> > <u>Feature Request</u> > <u>incorporate a "you can book me" feature</u>. incorporate a "you can book me" feature. In Development

- Scott Hardy
- Forum name: #Feature Request

We use youcanbook.me on our helpdesk website. Check it out:

http://www.rawlsgrouphelpdesk.com/book-scott.htmlWe paste our bookings into DP tickets manually, and vice versa. If these two systems could talk, or if DP created a similar booking tool... This could be an awesome addition to DP! Thank YOU! Scott
