Open in a new tab checkbox for Guides Under Review

When adding a link in the Text Editor in Guides, there doesn't seem to be an option to be able to open the link in a new tab (just the same as the option given in the Knowledgebase).

A screenshot of the Deskpro Text Editor interface. At the top, there is a navigation bar with a back arrow and a search icon. Below this, there is a section labeled "URL" with a text input field. Underneath the input field, the word "Text" is displayed. The main content area shows the text "Formpipe Support". At the bottom of the editor, there is a checkbox labeled "Open in new tab" which is checked, and a blue "Update" button to its right. The checkbox and its label are highlighted with a red rectangular border.
