## Add 'Review date' option for Guide Report

- K Koen
- Naam forum: #Feature Request

For the Knowledge base articles it's possible to set a 'Review date' and make it mandatory for agents to set such date. It would be great to have the same options for guides and their volumes, chapters, and pages.

I agree that this would be immensely helpful. Guides were one of the features that sold my organization on Deskpro as a solution but this prevents their optimal usage.
