Create a Permission for User Groups to Access the Helpcenter Editor Collecting Feedback

- AL Alvin Lobo
- Naam forum: #Feature Request

Create a permission for Admin sunder $Admin > CRM > User\ Groups$ to allow certain Users to access the Help Center Editor under $Admin > User\ Interface > Helpcenter$

This would allow Admins to grant permissions to a 'Designer' User Group so that UI designers could maintain the UI without being able to access tickets or the entire admin interface.
