WHMCS integration Finished

- Huiren
- **Naam forum:** #Feature Request

Hello,

 Please integrate DeskPro into WHMCS.

 Thanks!

Please make a plugin for the WHMCS.

Rudy

This would be a great asset to the DeskPro Product. With WHMCS Integration billing and domain management companies would have true flexibility and a tight integration for support and managing customers.

Shaun Fisher

Definitely agree. This is the one hurdle stopping us from making the switch to DeskPro.

This sounds excellent. Please continue to post information on the status of your development.

Very exciting news.
