We've revamped [the DeskPRO website](#), with a fresh design to reflect the fact that DeskPRO is the cutting-edge helpdesk platform for 21st century organizations.

The screenshot shows the new DeskPRO website homepage. At the top, there is a navigation bar with the DeskPRO logo, a search bar, and links for 'TOUR', 'DESKPRO FEATURES', 'PRICING', 'CUSTOMERS', and 'SUPPORT'. A prominent blue button says 'TRY DESKPRO FOR FREE' and another says 'BUY NOW / GET QUOTE'. The main content area features a large banner with the text: 'DeskPRO is the helpdesk platform for 21st century organizations. Beautifully designed. Simple to use. Flexible. Multi-channel. Powerful. Affordable. Your choice: our Cloud Helpdesk or On-Premise Helpdesk.' Below this, a blue button invites users to 'Start your free DeskPRO trial', with sub-points: 'No credit card required' and '30 second setup'. A '12 YEARS' anniversary badge is visible on the right. The background shows a blurred office scene with a person's head. In the foreground, a computer monitor displays the DeskPRO interface, and a smartphone shows the mobile app. A 'Get the mobile apps' button is also present.
