Modify Default set of Ticket Email Notifications Collecting Feedback

- AJ Aaron Jurrens
- **Nazwa forum:** #Feature Request

I would like the behavior for setting up new agents to be more flexible in regards to ticket notifications: when we setup a new user, we would like to be able to configure a default set of ticket notifications that take effect for our new users instead of clicking through the 18-21 clicks per new user. This would save loads of IT time multiplied across a number of DeskPro user setups. Thanks!
