Signature phrases integration Finished

- Kenneth
- **Nazwa forum:** #Feature Request

Possibility to use phrases in signatures. This makes it possible to create multi-lingual signatures.

Hello Kenneth, Thank you for your feedback. I have tested multilingual signatures, by adding a phrase into my own signature and it works fine. If you would like some more information on this, please don't hesitate to contact me and I will gladly assist you. Thank you, once again for your feedback, we do appreciate it. All the best
