### Question:

My company will need a formal invoice to raise a purchase order. Could you send me one?

### Answer:

If you have an existing helpdesk or trial, you can get an invoice by going to the Billing Dashboard from within your account (Click on the \$ icon on the Navigation Bar). Enter or confirm your details, ensuring you select **Annual billing**:

The screenshot shows the Deskpro Billing Dashboard. On the left is a navigation bar with icons for Billing, Dashboard, Invoices, and Payment Methods. The main content area is titled 'Billing' and contains several sections:

- Plan Summary:** A table showing current plan details.

Current Plan	Agent Seats	Payment Frequency	Renewal Date
Team	20	Annual	Jan 8, 2024
- Agent Seats:** A section to adjust the number of agent seats, currently set to 20.
- Plans:** A section showing three plan options: Team (\$29 annual, \$39 monthly), Professional (\$59 annual, \$69 monthly), and Enterprise (\$99 annual only). The Team plan is selected.
- Payment Frequency:** A section showing two options: Annual (selected) and Monthly (10% more expensive). The Annual option has sub-options for 1 Year, 3 Years (Save additional 15%), and 5 Years (Save additional 25%).

In the payment section, you can select **Bank Transfer** to generate an offline invoice.

To get a quote for a new On-Premise license without a trial, go to [www.deskpro.com/buy/](https://www.deskpro.com/buy/), select the license you want to buy, and your details.

At the Billing Details step, click on "Purchase Order / Check / Wire". You will then be able to download a PDF invoice.
