Hide Option to Upload an Account Photo in Help Center

Karsten Lloyd - 2023-08-24 - [Komentarze \(0\)](#) - [Admin](#)

If you would like to hide the Upload Picture option from the Account page on the Help Center, follow the steps below.

The screenshot shows the 'Your Account' page. On the left is a sidebar with three items: 'Your account' (with a gear icon), 'Your password' (with a key icon), and 'Your email addresses' (with an envelope icon). The main area contains the following fields:

- Name ***: A text input field.
- Language ***: A dropdown menu with 'English' selected.
- Upload Picture**: A dashed box containing a 'Choose a file' button and the text 'or Drag and drop'.
- Timezone**: A dropdown menu with 'Other' selected.
- Below the Timezone dropdown is a UTC option with a checkmark.

1. Go to **Admin > Help Center > Help Center Design**.
2. Click on the Open Template Editor button under the Template Editor header

4. You will need to remove the section of HTML that loads the 'Upload Picture' button.
The section that needs to be removed is between lines 60 - 65, as you can see below.

```

5. Save the template change at the bottom of the template editor. This will now remove the **Upload Picture** option from the Account page.

If you ever need to add this option back, simply go to the template and revert the changes.
