New & Improved DeskPRO Portal

2016-05-25 - Ben Henley - Comentários (0) - Product

The new DeskPRO portal system is now generally available for all customers.

If you're already a DeskPRO customer and you want to try out the new portal on a test helpdesk, you can sign up for a trial at $\underline{www.deskpro.com/signup/}$ to explore the great design improvements and new features. (See \underline{our} $\underline{earlier}$ post for a reminder of what the new portal system includes).

We'll make the new portal available for existing helpdesks soon - we know a lot of you are excited for this major update! If you have a Cloud helpdesk, we will email you in advance to inform you when your helpdesk will be updated to the new system.
