

<u>Help Center</u> > <u>Community</u> > <u>Feature Request</u> > <u>Report Unassigned Tickets on Dashboard</u> Report Unassigned Tickets on Dashboard Report

- Derek Mines
- Forum name: #Feature Request

I'm new to Deskpro but getting along just fine however I can't see the ability to have a widget on my dashboard that shows the current number of unassigned tickets. This would be really useful for us to be able to monitor as tickets come in.
