Question:

Is it possible to customize the text for the name of the portal tab where users submit tickets? We'd like to rename it from "Contact Us" to "Submit Tickets".

Answer:

1. Go to **Admin > Setup > Languages**, select your language and then click **Edit Phrases.**

2. Go to User Interface **Phrases >Portal general phrases** and edit portal.general.nav-newticket.

3. Add your custom phrase in the right hand column. Press **Save.**

portal.general.nav-newticket
