There is a great selection of resources to help train agents on using Deskpro.

- We have a large collection of videos available on our website: <u>Deskpro Tour</u>
- All agents are emailed a copy of our <u>Agent Quickstart Guide</u> a short PDF to cover Deskpro's basics
- We have a full comprehensive <u>Agent Guide</u> detailing all features available

Alongside these resources we also provide Agent training sessions, training sessions include a walkthrough and Q&A with a member of the Deskpro Team. If you are interested in training services please contact <u>sales@deskpro.com</u> for details.
