Allow for "Internal Only Tickets" Collecting Feedback

- Anonymous
- **Forum name:** #Feature Request

Allow for "Internal Only Tickets". Tickets assigned to a user (email) but which the customer never sees.

This would be very useful for us we often need to create internal tickets only for our clients - We are currently having to open these under our own organisation with the client name in the title

Hi Tim, I think you can do that by creating a ticket with note only. It's quite new but it works.
