

## Can you host my Cloud data within the EU?

Ben Henley - 2021-03-17 - Comment (1) - Security & Data

Yes, you can specify EU or UK hosting. The cost per agent is £30 per month (ie priced in UK pounds sterling, as opposed to US\$ for our standard hosting).

To get your EU or UK hosting set up, please email [sales@deskpro.com](mailto:sales@deskpro.com) with your preferred hosting location, the address and contact details that should appear on the invoice, the number of agents you want, and your EU VAT number if you are a non-UK company based in the EU.
