Open in a new tab checkbox for Guides Under Review

When adding a link in the Text Editor in Guides, there doesn't seem to be an option to be able to open the link in a new tab (just the same as the option given in the Knowledgebase).

The screenshot shows a web-based text editor interface. At the top, there is a navigation bar with a back arrow and a search icon. Below this, there is a section labeled 'URL' with a text input field. Underneath the input field, there is a section labeled 'Text' with the text 'Formpipe Support'. At the bottom of the form, there is a checkbox labeled 'Open in new tab' which is checked, and a blue 'Update' button to its right. The checkbox and its label are highlighted with a red rectangular border.
