Deskpro aims to make it as quick and easy as possible for you to start solving your customers' issues.

Tickets in Deskpro reveal everything you need to truly understand a customer issue - all in one place.

Convenient automation features and ticket actions also make managing and replying to tickets as easy as possible.

Learn how to view, manage, and reply to your tickets below!

The screenshot displays the Deskpro interface for managing tickets. The top navigation bar shows the current user 'Lara Proud' and the organization '221 B Helpdesk'. The left sidebar contains various navigation options, including 'Tickets', 'Queues', and 'My Open'. The main content area shows a ticket titled 'New Starter in Admin' with ID 372, marked as 'Urgent'. Below the title, there are sections for 'Awaiting Agent', 'USER & CC'S', and 'Messages'. The 'Messages' section shows an email from Hannah Scott with the subject 'Hi, please see the above.' and an agent note stating 'Issue solved on the phone - new password reset'. The bottom of the screen shows a reply form with a signature field and a 'Send as' dropdown menu.
