How do I bill users or record time spent on support?

Question:

Where do I bill a user for a support fee or log support time? I can't find any way to do it from a ticket.

Answer:

An admin must enable the billing and time log options from **Admin > Tickets > Time Log & Billing**. Billing and time log can be enabled separately.

You will then see a tab in the Properties area when you view the details of a ticket.
