I want to buy Deskpro but I need you to send me a quote or invoice

Ben Henley - 2023-08-10 - [Komentarjev \(0\)](#) - [Payment & Renewals](#)

On-Premise

You can generate your own Deskpro On-Premise invoice easily by visiting the [Buy License](#) link on our website. You can select the number of agents you require, your plan, and any professional services and then generate an invoice or quote.

Cloud

Cloud invoices can be raised from the Billing area of your Cloud trial. You can access the Billing area through the \$ icon on the Navigation Bar, indicated below. You can select the number of agents you require, your plan, and any professional services and then generate an invoice or quote.

The screenshot shows the 'Billing' section of the Deskpro Cloud trial interface. The left sidebar has a blue vertical bar with icons for 'Billing', 'Dashboard', 'Invoices', and 'Payment Methods'. The 'Billing' icon is highlighted with a red box. The main area is titled 'Buy Deskpro / Create Quote'. A message at the top says 'Billing will be applied on Jun 24, 2022 after your trial ends (in 11 days)'. A section titled '1 Agent Seats' asks for the number of agent seats to purchase, with a dropdown set to '10' and a slider scale from 3 to 1000. An illustration of people at a desk is shown. A 'Continue' button is at the bottom.
