The image shows a 'Place block' dialog box. At the top, there are navigation links for 'People', 'Reports', and 'Help'. Below the title bar, there is a '+ Add custom block' button. A search input field contains the text 'DeskPRO'. Below the search field is a table with three columns: 'BLOCK', 'CATEGORY', and 'OPERATIONS'. The first row of the table contains 'DeskPROWidget', 'Custom', and a 'Place block' button. Two blue arrows are present: one points from the 'Place block' button in the table row to the search input field, and another points from the search input field to the 'Place block' button in the table row. At the bottom of the dialog, the words 'REGORY' and 'REGION' are partially visible.
