DeskPRO v3.3.0, v3.2.2 and v3.1.5 Released

2008-09-18 - Christopher Nadeau - Comments (0) - Release Announcements

We are pleased to announce the availability of our new feature version, v3.3. We are also releasing two bugfix versions for our v3.2.x and v3.1.x branches. All three versions can be downloaded from your members area.

For more information about these releases, refer to the full announcement on our forums: http://forums.deskpro.com/showthread.php?t=859
