

We have updated the design for ticket views in the helpdesk

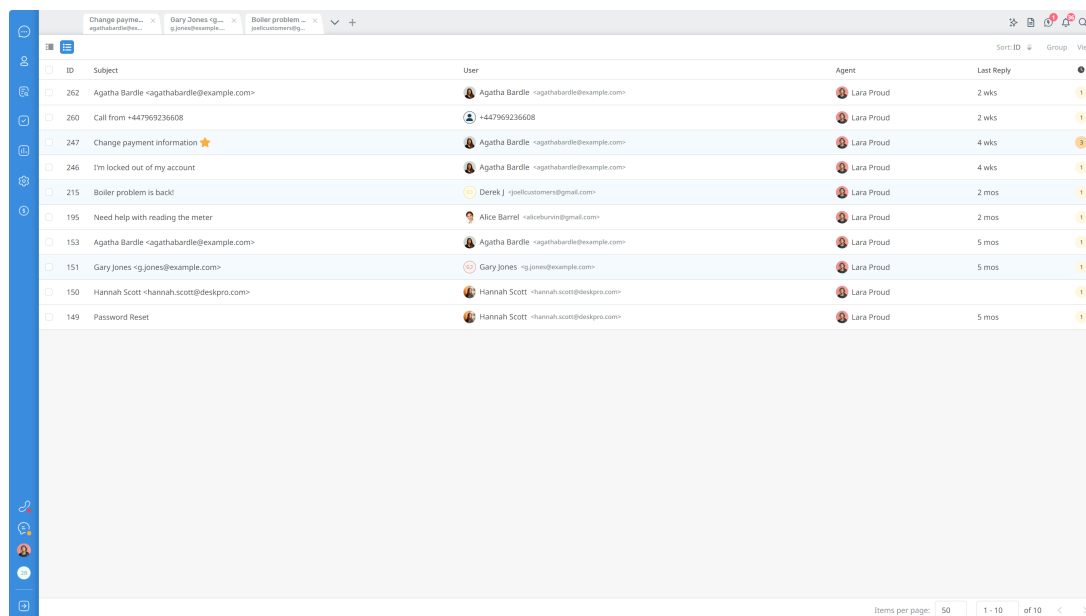

2022-11-01 - Lara Proud - Comments (0) - Product (Agent)

We have updated the behavior and design of ticket lists in the helpdesk.

In Table View we added the ability to preserve per queue, column width of the table and any fields you have applied. We have also added a gray background behind the ticket list to increase the contrast and enhance ticket visibility.

Additionally, we have added an open ticket state, which is signified by a blue colored ticket, as seen below. This change will apply to both **Table View** and **Card View** by adding a blue indicator to tickets you have open in a tab.

In **Table View**, it will look like this:

ID	Subject	User	Agent	Last Reply
262	Agatha Bardle <agathabardle@example.com>	Agatha Bardle <agathabardle@example.com>	Lara Proud	2 wks

In **Card View**, the indicator state will look like this:

The screenshot displays a Zendesk helpdesk interface. On the left is a sidebar with navigation icons and a list of tickets. The main area shows a detailed view of a ticket titled "Change payment information" (ID 247). The ticket is assigned to Agatha Bardle and is currently in the "Billing" category. The ticket history shows a message from Agatha Bardle to the customer, Agatha, dated Oct 4, 2022, at 12:14 PM. The message content is: "Hi Agatha, Thanks for your message. One of our team will get back to you shortly! Thanks, Lara". Below the message is an "Add note" section with a note from James Moriarty dated Oct 4, 2022, at 12:23 PM. The note content is: "Hi Agatha, I can update your details for you if you let me know what needs to be changed, or you can update them yourself from your User account. This page will explain how you can do that: [https://221benenergy.deskpro.com/en-US/guides/setting-up-your-account/add-your-billing-information](\"https://221benenergy.deskpro.com/en-US/guides/setting-up-your-account/add-your-billing-information\"). If you need any more help do let me know! James Moriarty". On the right is a user profile for Agatha Bardle, showing her contact information, organization (Energy.ie), and properties.

These updates will make it easier for you to locate the tickets in a list that you already have open when navigating your ticket queues and other lists of tickets across the interface, as well as boosting overall visibility in the helpdesk
