Deskpro

changing email filter of comanies affects existing users? Finished

- Reto
- **Forumets namn:** #Feature Request

Hello

 Very good helpdesk tool you have! Congratulations!

 If I chage the e-mail filter in a company, doesn't it affect the existing users? Resp. do existing users get automatically assigned

 Best regards,

 Reto

This bug is fixed (for ticket messages as well) in the next revision.

At the moment changing the email for organisations does not update existing users - but this is a good idea and something we will add in the near future.
