## DeskPRO v3.4.1 Released and Billing Plugin Beta

2009-07-24 - Christopher Nadeau - Kommentarer (0) - Deskpro Releases

We are pleased to announce the availability of DeskPRO v3.4.1. This release includes some small enhancements and fixes to a number of relatively minor bugs. This version can be downloaded from the <u>members area</u>.

Also, we have released a public beta of our new Billing Plugin. Purchase now for \$295 during this testing period.

For more information about these releases, refer to the full announcement on our forums:  $\frac{\text{http://forums.deskpro.com/showthread.php?t=1072}}{\text{http://forums.deskpro.com/showthread.php?t=1072}}$
