Deskpro

line breaks. Finished

- Mike Offenbecher
- **Forum adı:** #Bug Report

Its seems that when someone submits a ticket and/or feedback that it ignores all line breaks. A nicely written suggestion or feedback could turn into a wall of text nightmare.

 For example I have just dropped down two lines to start a new paragraph.

 Thanks

 Mike Offenbecher

It figures that this time it works fine. :)

This was fixed in one of our latest builds :)
