## Adding a background image to the Help Center

Chris Robinson - 2023-08-31 - [Yorumlar \(0\)](#) - [Help Center](#)

The easiest way to add a background image to your Help Center is in **Admin > Help Center > Help Center Design** and click **Edit Custom CSS** to change the CSS of the Help Center.

Add the following to the template:

```
.dp-po .dp-po-main {  
background-image: url(your_url_here);  
}
```

You can add you can add `background-size: contain;` or `background-size: cover;` to adapt the size as needed

The URL needs to be a publicly accessible image. This will achieve a result like the below:
