

What documentation is available for Deskpro?

Christopher Nadeau - 2023-09-15 - Yorumlar (0) - Deskpro Legacy

To quickly start using your helpdesk, follow the [Getting Started article series](#). This will show you how to get your helpdesk ready for use quickly.

To understand how the agent interface works, see the [Agent Quick Start Guide](#).

More information

You can find more comprehensive documentation on how to use Deskpro with the following resources:

- [Admin Guide](#)
- [Agent Guide](#)
- [Reports Guide](#)
- [Developer Guide](#)
- [System Administrator Guide](#) (for On-Premise users)

For FAQs, troubleshooting, and "How-To" guides, search our [Knowledgebase](#).
