

Personalize your Help Center and Content

Lara Proud - 2023-09-12 - Comments (0) - Getting Started

The first step to personalizing your helpdesk is by naming it and adding your website details.

To add information about your helpdesk go to **Admin > Configuration > Branding**. Select the brand you want to update:

From here, you can edit your brand settings which will update them from the helpdesk defaults. You can update:

- Brand Name
- Favicon
- Avatar
- Brand Logo
- Website Name
- Website URL
- Help Center Name
- Your sub-domain

From **Admin > Configuration > Branding**, you can also create additional branded Help Centers for different end-user-facing Help Centers by selecting **Add a Brand**.

You can also manage the appearance of your various Help Centers in **Admin > Help Center > Help Center Design**. This lets you change your welcome message, fonts, and colors and add a logo to make your Help Center truly reflective of your brand.

Help Center Design

The screenshot displays the 'Help Center Design' configuration interface. On the left is a sidebar with various settings:

- Theme:** Includes a dropdown for 'Help Center', buttons for 'Clone to New Theme', 'Import Theme', 'Import and Replace current', and 'Export Theme'.
- Theme Options:** Fields for 'Welcome box title' and 'Welcome message'.
- Logo:** A logo icon with a 'Delete' button.
- Favicon:** A favicon icon with a 'Delete' button.
- Splash Image:** A 'Splash Image' field with 'Browse Splash Images' and 'Upload Image' buttons.
- Show navigation buttons on home page:** A toggle switch.
- Featured articles:** A text input field.
- Colors:** 'Save' and 'Discard Changes' buttons.

The main preview area shows a desktop view of the Help Center. At the top, there's a navigation bar with 'Deskpro', user roles ('Agent', 'Admin'), language ('English'), and a 'Contact Us' button. Below is a large blue banner with a search bar containing the text 'How can we help you today?'. Underneath the banner is a 'Help Center' header and a row of six navigation buttons: 'Community', 'Guides', 'Knowledgebase', 'News', 'Files', and 'Contact Us'. Below this is a 'News' section with a grid of four article cards, each with a title and a date (e.g., 'General JUN 16', 'Est temporibus laborisam JUN 15', 'Voluptatem namquam parlat JUN 15', 'Perferendis natus lita JUN 14').
