How do I set up a new user registration form?

Manu Marquez - 2023-09-08 - Comments (0) - Ticket Structure

Some organizations need new users to complete a form to provide information, agree to network policies, etc.

This article explains how you can implement this in Deskpro so that users can submit a ticket form and all the information is added directly to their profiles. We'll also demonstrate how to embed a form to collect information from new users.

| - Deskpro ~ | ≡ • • + | | » ∎ . <mark>6</mark> ° 4 [©] 0 |

| Settings | | | |
| APPS & INTEGRATIONS | | | |
| 🗉 🥵 John Doe | | | Rows per page: 100 → 1-7 → of 7 < > |

1. Go to **Admin > CRM > Fields > User Fields**. Click "New" to create a new Custom Field.

Choose a field from the list provided, and click **Configure Field**. For this example, we are going to use a toggle to record that the user agreed to your network policy.

| | | × |
|------------------------------------|--|---|
| | Add: New Field | |
| e Help on and new ticket forms. | Single-line Text A single-line input box that the user can type into. | |
| | O Number | |
| | Allows users to enter a numeric value. | |
| | Multi-line Text | |
| | A multi-line input box that the user can type into. | |
| | Select Field Present predefined options to user as a drop-down, radio button or checkbox menu. | |
| Field Type | Toggle | |
| Select Field | This field displays as a single checkbox. | |
| Select Field | Date Date Field lets user select a date using the calendar widget. | |
| Date | Date & Time | |
| Date & Time | Date & Time field lets user select a date & time using the calendar widget. | |
| Multi-line Text | Display | |
| Toggle | This field does not take input, instead displays the HTML entered by you the administrator. | |
| Currency | Hidden This is a hidden field in the new-ticket form with no visible UI for a user to interact with. The value can come from a cookie or a query string parameter, or you can use custom Javascript in your templates to set the field dynamically. The field is still editable in the agent interface via a text box. URL | |
| | Configure Field | |

During the field configuration, you will be able to set up Title, Description, and User Validation amongst other values.

| | Add: New Field | × |
|-------------|--|---|
| 2 | Field type | |
| | Toggle | |
| | Title* | |
| | I agree to your Network Policy | |
| | Enabled | |
| | Agent only field Hide field from users, only agents will be able to see and edit this field. | |
| | Description | |
| Туре | By checking this box, you agree to abide by Acme Corp's Network Policy</a | |
| :t Field | Reference Alias 💿 | |
| :t Field | | |
| | Enabled display Label | |
| & Time | Disable display Label | |
| i-line Text | Enabled by default | |
| le | User validation | |
| | Require user to provide value 👻 | |
| ency | Agent Validation | |
| | No agent validation 📼 | |
| | | |
| | Create | |

2. Go to **Admin > Ticket Structure > Departments** and create a new department called New Users.

3. In the Form tab, select Custom Form Editor.

4. Click on the **+ Field** button to add your newly created Toggle field — type the name of your field to find it in the provided list:

| | | Form | Website Embed | | | | |
|---|-------------------|-------------|----------------------|----------------|-----|---|--|
| Form | | | | | | 2 | |
| Custom Form B | Editor | | | - | v | 2 | |
| This is a custom to this layout will | | | this department. Any | changes you ma | ike | | |
| User Form A | gent Form | | | | | | |
| :: User Name | e & Email (Single | -line Text) | | | | | |
| II Departme | nt (Select Field) | | | | | | |
| :: Subject (S | Single-line Text) | | | | | | |
| II Message | (Multi-line Text) | | | | | | |
| 🔢 Attachme | nts | | | | | | |
| | | | | | | | |
| Q I agree User Fields | | × | | | | | |
| | Network Policy | × | | | | | |
| User Fields | Network Policy | × | | | | | |
| User Fields | Network Policy | × | | | | | |
| User Fields | Network Policy | × | | | | | |
| User Fields | Network Policy | × | | | | | |
| User Fields | Network Policy | × | | | | | |
| User Fields | Network Policy | × | | | | | |
| User Fields | Network Policy | × | | | | | |

5. To make it easy for users to find the form, you can embed it on its own page on your website/intranet. Select the **Website Embed** tab, and add the code to your site.

Add: New Ticket Department

| Information Permissions Form Website Embed | |
|---|------|
| Website Embeds are code snippets you can copy directly into your website to quick add a Deskpro contact form to any page. | ly |

| Create | Canc |

6. You could set up a trigger so that, if users haven't agreed to the network policy when submitting a ticket to any other department than "New Users", they get an automatic email reminder to fill in the new user form. You'll need to create a new email template for this reminder.
